Account reallocations[2]
You can reallocate during the 25-day reallocation period after each contract anniversary date.

Free withdrawal amount[3]
Beginning in the first contract year, during the surrender charge period, you can withdraw up to 10% of your account value each contract year without incurring charges.

Market Value Adjustment (MVA)[4]
A positive or negative adjustment based on the current interest rate environment at the time of the surrender. The MVA does not apply to the death benefit or 10% annual free withdrawal during the surrender charge period, or withdrawals after the surrender charge period.

Surrender schedule

Contract year	1	2	3	4	5	6	7
	9%	8%	7%	6%	5%	4%	3%
California	9.25%	8.25%	7.25%	6.25%	5.20%	4.20%	3.15%

Nursing home and terminal illness waivers[5]
You can access your account value without surrender charge or MVA if certain conditions are met.

Death benefit
Your beneficiaries will receive the greater of your account value or a guaranteed minimum value.

Choice of income options
i4LIFE® Advantage is an optional rider[6] that offers lifetime income with the potential to increase and provides tax-efficient income for nonqualified money.[7] Available at issue or on a contract anniversary, it remains available for future election under the terms of the contract. Once elected there is an annual cost of 0.40%, single or joint life. Additional premiums are not permitted after election.

After the fifth contract year, the full contract value can be converted into income, without an MVA or surrender charge. You have a number of income payout options, including an income that cannot be outlived.

Insurance products issued by:
The Lincoln National Life Insurance Company

[1] Availability of indexed accounts may vary by firm and state. Fixed and indexed rates are declared by The Lincoln National Life Insurance Company at its discretion. Subsequent rates may be higher or lower than the initial rates and may differ from those used for new contracts. Guarantees are subject to the claims-paying ability of The Lincoln National Life Insurance Company. Limitations and conditions apply. After the surrender charge period, Lincoln reserves the right not to offer any of the indexed accounts.

A fixed indexed annuity is intended for retirement or other long-term needs. It is intended for a person who has sufficient cash or other liquid assets for living expenses and other unexpected emergencies, such as medical expenses. A fixed indexed annuity is not a registered security or stock market investment and does not directly participate in any stock or equity investments, ETF or index.

Lincoln OptiBlend® 7 fixed indexed annuity (contract form ICC1515-619 and state variations) is issued by The Lincoln National Life Insurance Company, Fort Wayne, IN, and distributed by Lincoln Financial Distributors, Inc., a broker-dealer. **The Lincoln National Life Insurance Company does not solicit business in the state of New York, nor is it authorized to do so.**

This annuity does not participate directly in any stock or equity investment and does not include the purchase of shares of stock or an index. The indexed accounts use an outside benchmark for determining indexed account earnings. Any dividends paid on the stocks on which the benchmark is based do not increase the annuity earnings. All payments and values provided by the contract, when based on performance of the indexed account, are not guaranteed to be equivalent to the benchmark. The composition of the benchmark and the methodology used by the benchmark to calculate its performance are not guaranteed and may be changed at any time by the benchmark provider.

Waiver of Surrender Charges for Nursing Home Confinement Rider and Waiver of Surrender Charges for Terminal Illness Rider (form AE-119 (Rev 11/13) and form AE-170 (Rev 10/07), respectively, and state variations) may not be available in all states. Nursing Home Confinement Rider not available for contracts issued in Massachusetts.

The exact terms of the annuity are contained in the contracts and any attached riders, endorsements and amendments, which will control the issuing company's contractual obligations. For more information about the annuity, please also read the Client Guide and Disclosure Statement, or contact your Lincoln representative.

Income taxes are due upon withdrawal and if withdrawn before age 59½, an additional 10% federal tax may apply. Withdrawals and surrenders may be subject to surrender charges and a Market Value Adjustment. There is no additional tax-deferral benefit for contracts purchased in an IRA or other tax-qualified plan, since they are already afforded tax-deferred status.
