

As a participant in the Premier Wealth Management Program (“Premier” or the “Program”), you will engage Lincoln Financial Advisors Corporation (“LFA”) and potentially other parties, including Envestnet Portfolio Solutions, Inc. (“EPS”), to provide investment advice and related services with respect to one or more accounts in Premier (“Program Accounts”). In exchange for those services, you will pay an annualized fee (a “Total Program Fee”) as described in your Client Service Agreement (“Agreement”) and Statement of Investment Selection or Statement of Insurance Selection, as applicable (“SIS”). Your Total Program Fee will vary depending on the Premier programs and services you select and will be comprised of various components, which may include the Sponsor Fee, the Firm Fee, the Adviser Fee, Strategist Fees, Manager Fees, the Broker-dealer and Custodian Fee, and the Overlay Services Fee, as described below and in LFA’s applicable Forms ADV, Part 2A. This Total Program Fee Guide is intended to provide an overview of the Total Program Fee components generally applicable to new accounts in the Premier programs LFA currently offers; however, Total Program Fees and Total Program Fee components for existing Premier accounts will in certain circumstances differ from the Total Program Fees and Total Program Fee components reflected herein. You should refer to the terms of your Agreement, SIS, and other account-opening documentation for definitive information regarding the Total Program Fees and Total Program Fee components applicable to your Program Accounts.

Total Program Fees and their various components are calculated based on the average daily balance of all supervised assets held within your Program Account, including, but not limited to, all cash balances and all holdings of money market mutual funds and other products and accounts designated as “cash sweep” vehicles. The balance of any margin loan, securities-backed line of credit, other line of credit, or lien against your Program Account is not deducted from the balance of your Program Account when calculating your Total Program Fee. Your Total Program Fee will vary depending on the Premier program(s) and services you select, including third-party money managers (“Sub-Managers”) and third-party asset allocation providers (“Strategists”), if applicable, the total value of your assets within Premier (“Program Assets”), and other factors. Additionally, there are a number of variables related to the calculation of your Total Program Fee that will in certain circumstances cause the Total Program Fee rate you incur to be higher or lower than the Total Program Fee rates reflected in the fee table(s) in your SIS. These variables are described below.

All Premier Programs

For all Premier programs, your Total Program Fee will include, at minimum, a Sponsor Fee and an Adviser Fee as follows:

Sponsor Fee:*	<u>Account Size</u>	<u>Annual Fee Rate</u>
	\$0 - \$250K	0.20%
	\$250K - \$500K	0.18%
	\$500K - \$750K	0.15%
	\$750K - \$1M	0.12%
	\$1M - \$2M	0.10%
	\$2M - \$5M	0.08%
	\$5M - \$10M	0.05%
	Over \$10M	0.03%

* There is a minimum annual Sponsor Fee of \$250 per household. You generally will incur the Sponsor Fee minimum if your household Program Assets are below \$125,000.

Adviser Fee: The Adviser Fee is determined between you and your investment adviser representative (“IAR”).

For all Premier programs, both the Sponsor Fee and the Adviser Fee rates applicable to your Account Size tier are applied to all Program Assets in your Program Account (including household assets, if applicable). For example, a Program Account with \$600K in Program Assets is assessed a 0.15% Sponsor Fee rate on all Program Assets.

Premier Plus Program

For the Premier Plus Program, your Total Program Fee will consist of the Sponsor Fee and Adviser Fee as described above.

Premier Strategist Program

For the Premier Strategist Program, your Total Program Fee will consist of the Sponsor Fee and Adviser Fee as described above, as well as the following fee components:

Firm Fee:	<u>Account Size</u>	<u>Annual Fee Rate</u>
	\$0 - \$500K	0.09%
	Over \$500K	0.08%

The Firm Fee is applied on a “tiered” basis, meaning the Firm Fee rate applicable to a particular Account Size tier is applied only to Program Assets falling within that Account Size tier. For example, a Premier Strategist Program account with \$600K in Program Assets is assessed a 0.09% Firm Fee rate on the first \$500K of Program Assets and a 0.08% Firm Fee rate on the remaining \$100K of Program Assets. LFA uses a portion of the Firm Fee to compensate EPS for the administrative and other services that EPS provides in connection with the Premier Strategist Program.

Strategist Fee or Manager Fee: Strategist Fee or Manager Fee rates and calculation methodologies vary by Strategist, Sub-Manager, and investment strategy and these fees may be applied to all Program Assets or on a “tiered” basis, as described above. A portion of the Strategist Fee or Manager Fee is retained by EPS in connection with EPS’s implementation and administration of the selected investment strategy and such amounts are separate from, and in addition to, the portion of the Firm Fee that LFA uses to compensate EPS as described above. Please consult with your IAR for additional information regarding the Strategist Fee or Manager Fee applicable to your Program Account.

Premier Manager (Mutual Fund) Program

For the Premier Manager (Mutual Fund) Program, your Total Program Fee will consist of the Sponsor Fee and Adviser Fee as described above, as well as the following fee components:

Firm Fee:	0.08% annually applied to all Program Assets
------------------	--

LFA uses a portion of the Firm Fee to compensate EPS for the administrative and other services that EPS provides in connection with the Premier Manager (Mutual Fund) Program.

Manager Fee: EPS or its affiliates charge a Manager Fee in connection with their implementation of the selected Premier Manager (Mutual Fund) Program investment strategy. The Manager Fee charged by EPS or its affiliates is applied on a “tiered” basis, meaning the Manager Fee rate applicable to a particular account size tier is applied only to Program Assets falling within that account size tier. The Manager Fee charged by EPS or its affiliates is separate from, and in addition to, the portion of the Firm Fee that LFA uses to compensate EPS as described above. Please consult with your IAR for additional information regarding the Manager Fee applicable to your Program Account.

Premier Separately Managed Accounts (“SMA”) Program

For the Premier SMA Program, your Total Program Fee will consist of the Sponsor Fee and Adviser Fee as described above, as well as the following fee components:

Firm Fee:	<u>Account Size</u>	<u>Annual Fee Rate</u>
	\$0 - \$500K	0.11%
	\$500K - \$1M	0.09%
	\$1M - \$2M	0.06%
	\$2M - \$5M	0.05%
	Over \$5M	0.04%

The Firm Fee is applied on a “tiered” basis, meaning the Firm Fee rate applicable to a particular Account Size tier is applied only to Program Assets falling within that Account Size tier. For example, a Premier SMA Program account with \$600K in Program Assets is assessed a 0.11% Firm Fee rate on the first \$500K of Program Assets and a 0.09% Firm Fee rate on the remaining \$100K of Program Assets. LFA uses a portion of the Firm Fee to compensate EPS for the administrative and other services that EPS provides in connection with the Premier SMA Program.

Manager Fee: Manager Fee rates and calculation methodologies vary by Sub-Manager and investment strategy and this fee may be applied to all Program Assets or on a “tiered” basis, as described above. A portion of the Manager Fee is retained by EPS in connection with EPS’s implementation and administration of the selected investment strategy and such amounts are separate from, and in addition to, the portion of the Firm Fee that LFA uses to compensate EPS as

described above. Please consult with your IAR for additional information regarding the Manager Fee applicable to your Program Account.

Broker-dealer and Custodian Fee:*	<u>Account Size</u>	<u>Annual Non-Fixed Income Fee Rate**</u>	<u>Annual Fixed-Income Fee Rate</u>
	\$0 - \$250K	0.25%	0.20%
	\$250K - \$500K	0.06%	0.00%
	\$500K - \$1M	0.04%	0.02%
	\$1M - \$2M	0.03%	0.02%
	\$2M - \$5M	0.025%	0.01%
	\$5M - \$10M	0.01%	0.01%
	Over \$10M	0.01%	0.005%

* The Broker-dealer and Custodian Fee is applied to all Program Assets. There is a minimum annual Broker-dealer and Custodian Fee of \$200 per account in the Premier SMA Program. You generally will incur the Broker-dealer and Custodian Fee minimum if your Program Assets are below \$80,000 for Premier SMA Program accounts implementing equity, option, mutual fund, or balanced strategies or below \$100,000 for Premier SMA Program accounts implementing fixed-income strategies.

** The Annual Non-Fixed Income Fee Rate applies to equity, option, mutual fund, and balanced strategies.

The Broker-dealer and Custodian Fee is applied on a “tiered” basis, meaning the Broker-dealer and Custodian Fee rate applicable to a particular Account Size tier is applied only to Program Assets falling within that Account Size tier. For example, a Premier SMA Program account utilizing an equity strategy with \$600K in Program Assets is assessed a 0.25% Broker-dealer and Custodian Fee rate on the first \$250K of Program Assets, a 0.06% Broker-dealer and Custodian Fee rate on the next \$250K of Program Assets, and a 0.04% Broker-dealer and Custodian Fee rate on the remaining \$100K of Program Assets.

Premier Unified Portfolio

For Premier Unified Portfolio, your Total Program Fee will consist of the Sponsor Fee and Adviser Fee as described above, as well as the following fee components:

Firm Fee:	<u>Account Size</u>	<u>Annual Fee Rate</u>
	\$0 - \$500K	0.14%
	\$500K - \$1M	0.12%
	\$1M - \$2M	0.10%
	\$2M - \$5M	0.09%
	Over \$5M	0.07%

The Firm Fee is applied on a “tiered” basis, meaning the Firm Fee rate applicable to a particular Account Size tier is applied only to Program Assets falling within that Account Size tier. For example, a Premier Unified Portfolio account with \$600K in Program Assets is assessed a 0.14% Firm Fee rate on the first \$500K of Program Assets and a 0.12% Firm Fee rate on the remaining \$100K of Program Assets. LFA uses a portion of the Firm Fee to compensate EPS for the administrative and other services that EPS provides in connection with Premier Unified Portfolio.

Strategist Fee or Manager Fee: Strategist Fee and Manager Fee rates and calculation methodologies vary by Strategist, Sub-Manager, and investment strategy and these fees may be applied to all Program Assets designated for such Strategist’s or Sub-Manager’s investment strategy or on a “tiered” basis, as described above. A portion of each Strategist Fee or Manager Fee is retained by EPS in connection with EPS’s implementation and administration of each selected investment strategy and such amounts are separate from, and in addition to, the portion of the Firm Fee that LFA uses to compensate EPS as described above. Because Strategist Fee and Manager Fee rates and calculation methodologies vary by Strategist, Sub-Manager, and investment strategy, the Total Program Fee for your Premier Unified Portfolio Program Account will increase or decrease from the rates reflected in the fee table(s) in your SIS if you or your IAR, using their discretionary authority, add, remove, or replace Strategists, Sub-Managers, or investment strategies for your Premier Unified Portfolio Program Account after the date of your SIS. The Total Program Fee for your Premier Unified Portfolio Program Account will also increase or decrease from the rates reflected in the fee table(s) in your SIS as your assets allocated to individual Strategists, Sub-Managers, and investment strategies fluctuate after the date of your SIS. Please periodically consult with your IAR for additional information regarding the Strategist Fee or Manager Fee charged by each Strategist, Sub-Manager, and investment strategy selected for your Program Account.

Broker-dealer and Custodian Fee:*	<u>Account Size</u>	<u>Annual Fee Rate</u>
	\$0 - \$250K	0.25%
	\$250K - \$500K	0.20%
	\$500K - \$1M	0.15%
	\$1M - \$2M	0.06%
	\$2M - \$5M	0.03%
	Over \$5M	0.01%

* The Broker-dealer and Custodian Fee is applied to all Program Assets except those Program Assets invested in mutual funds that are part of the Custodian's no transaction fee ("NTF") mutual fund program or NTF managed account program. There is a minimum annual Broker-dealer and Custodian Fee of \$200 per account in Premier Unified Portfolio regardless of the type of Program Assets held. You generally will incur the Broker-dealer and Custodian Fee minimum if your Program Assets in Premier Unified Portfolio are below \$80,000.

The Broker-dealer and Custodian Fee is applied on a "tiered" basis, meaning the Broker-dealer and Custodian Fee rate applicable to a particular Account Size tier is applied only to Program Assets falling within that Account Size tier. For example, a Premier Unified Portfolio account with \$600K in Program Assets that are subject to the Broker-dealer and Custodian Fee is assessed a 0.25% Broker-dealer and Custodian Fee rate on the first \$250K of Program Assets, a 0.20% Broker-dealer and Custodian Fee rate on the next \$250K of Program Assets, and a 0.15% Broker-dealer and Custodian Fee rate on the remaining \$100K of Program Assets.

Additional Fee for Tax Overlay and/or Impact Overlay Services: If you elect to utilize the optional tax overlay services and/or impact overlay services available in Premier Unified Portfolio, your Total Program Fee will include the following Overlay Services Fee in addition to the other fee components described above. The Overlay Services Fee is payable to EPS and its affiliates for providing overlay tax management services and/or overlay impact management services to your Premier Unified Portfolio Program Account.

Overlay Services Fee:	<u>Account Size</u>	<u>Annual Fee Rate</u>
	\$0 – \$10M	0.10%
	\$10M - \$25M	0.08%
	Over \$25M	0.05%

The Overlay Services Fee is applied on a "tiered" basis, meaning the Overlay Services Fee rate applicable to a particular Account Size tier is applied only to Program Assets falling within that Account Size tier. For example, a Premier Unified Portfolio account with \$15M in Program Assets is assessed a 0.10% Overlay Services Fee rate on the first \$10M of Program Assets and a 0.08% Overlay Services Fee rate on the remaining \$5M of Program Assets.

Householding

The total amount of assets within a client's "household," as defined in LFA's applicable Form(s) ADV, Part 2A, will be aggregated upon the client's request to achieve fee breakpoints and applicable annual minimums for the Sponsor Fee, Firm Fee, and Adviser Fee calculations. Householding does not apply to any other Program Fee components. To the extent that your Program Account is subject to householding discounts for the applicable Program Fee components, the Total Program Fee rate you incur may be lower than the Total Program Fee rates reflected in the fee table(s) in your SIS.

Other Client Fees and Expenses

Please refer to your Agreement, SIS, applicable trading, transaction, and service fee schedules, your other account-opening documentation, and LFA's Form CRS and applicable Form(s) ADV, Part 2A for important information regarding fees, charges, and expenses you will incur in addition to your Total Program Fee, including, but not limited to, trading, transaction, and service fees and internal investment product fees, where applicable.

Additional Information

For additional information on Program Fees, including applicable minimums, LFA's householding policy, and individual Program Fee components applicable to your Program Account, and LFA's related conflicts of interest, please see LFA's applicable Forms ADV, Part 2A, which are available at www.lfg.com/public/individual/adv. Should you have any questions regarding Program Fees or their calculation, or LFA's related conflicts of interest, please address them with LFA or your IAR before signing your SIS.
